A

New Deal

1993-1994 Season

New Coach, New Talent, New Style Equal Bright Season for Lady Tigers

A new coach, new players and a new style.

That's what Salem-Teikyo University's women's basketball team will bring to the court during the 1993-94 season.

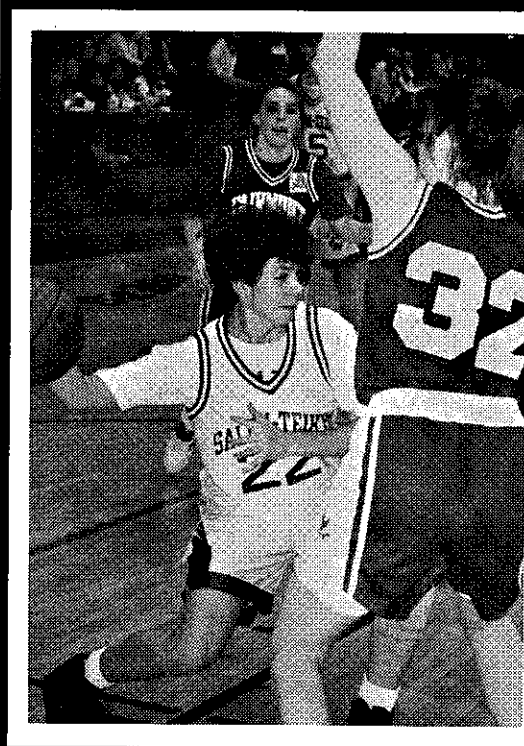

The Tigers, who were 21-8 and finished second in the West Virginia Conference, will be under the tutelage of new head coach Tammy Biesenthal. The former Concordia College (Michigan) standout who holds four school records comes to S-TU from Alpena Community College (Michigan) where she developed a successful program.

Biesenthal has a positive outlook when she discusses the upcoming season.

"We are entering the season with a great deal of enthusiasm," said Biesenthal. "We are optimistic as this team works very hard and has set high goals."

The Tigers return three players that gained valuable experience as starters or key reserves last season. Genie Reese, 5'8 sophomore guard, 5'10 sophomore for-

ward Stephanie Shine and 5'9 senior guard-forward Shanna Cade will join with six new recruits and three other returners from last year in building the Tiger's 1993-94 program.

the luxury of "owning" a starting spot going into the season. Biesenthal has installed an up tempo, highly-intense game plan which calls for full-court pressure and fast-break offense, thus she plans on using a 10-person rotation early in the season.

"Our depth is definitely a plus," said Biesenthal. "With the style of basketball we want to play, it won't be possible to just leave five players out there for 40 minutes. We want them to play intense and get after it when they're out on the court and we'll rotate players in and out to stay fresh."

Reese, Cade, seniors Debbie Sanders and Jennifer Crimm, sophomore Shannon Minor and

freshman Lori Teubert could see action in the backcourt, while Nicole Hurley will be an added plus when she becomes eligible in the second semester.

Up front, newcomers Teri Connolly, Angie Arrington, Catherine Stennette, Amy Cropp and Shine give the Tigers a solid core of talented post players.

"Our success depends on blending together as a team, using our depth and having players step up and make key contributions early. As this team continues to improve and develop, they will be an exciting team to watch."

While Reese, Shine and Cade were starters during some point of last year's season, no Tiger player has

Biesenthal Named New S-TU Coach

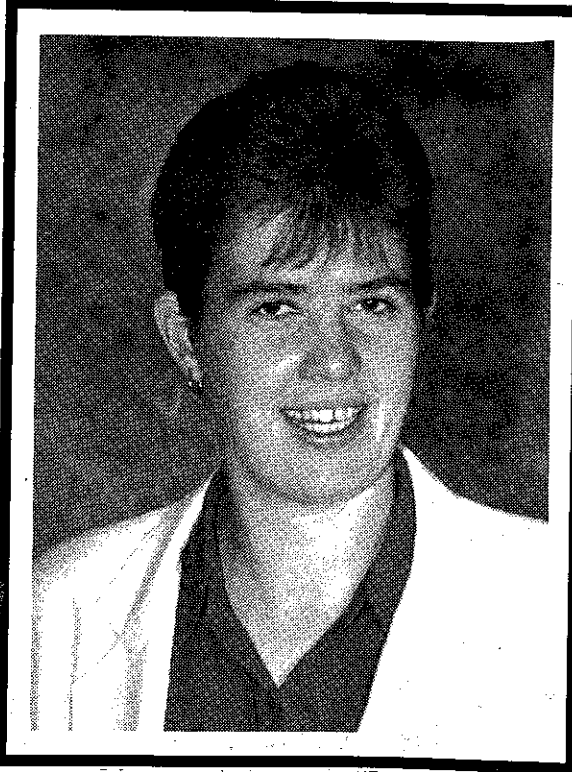

Head Coach Tammy Biesenthal

Tammy Biesenthal enters her first year as head women's coach at Salem-Teikyo University and she brings an enthusiastic attitude to the Tiger program. The former Concordia College (Michigan) standout who still holds four school records (single game scoring, season scoring, career scoring, and most field goals), comes to S-TU from Alpena Community College (Michigan) where she developed a successful program at the two-year school. Although Biesenthal is entering her first year of head coaching at a four-year

school, she has five years experience in the coaching field on the college level. She was formerly an assistant coach at her alma mater. While Biesenthal obviously excelled on the hardwoods, she was equally adept in the classroom where she was a standout student on both the undergraduate and graduate levels. She graduated Summa Cum Laude from Concordia with a degree in physical education and business administration. She also holds a master's degree in exercise science from Central Michigan University. Biesenthal has a solid reputation as an organized and dedicated coach who also excels in recruiting top student-athletes. Assistant Coach LeAnn Bird is no stranger to Salem-Teikyo University. Entering her

second year on the coaching staff, Bird is a former standout player who is third on the all-time scoring list for the Lady Tigers. A native of Hot Springs, Va., Bird holds a bachelor's degree from Salem-Teikyo in natural sciences which she received in 1991. She also earned a B.S. degree in education in 1993. Although she has only been coaching for two seasons, Bird has already developed into an outstanding recruiter and mentor for the Tiger student-athletes.
